The claim is set forth in further detail in Keppel's Proof of Claim (Claim # 315). These services qualify as "necessaries" and establish that Keppel is a maritime lienholder against the M/V LEWEK CONSTELLATION. 46 U.S.C. §§ 31301(4), 31342. A maritime lien "is a special property right in the vessel, arising in favor of the creditor by operation of law as security for a debt or claim." *Equilease Corp. v. M/V SAMPSON*, 793 F.2d 598, 602 (5th Cir. 1986) (citations omitted). The lien attaches and is perfected when the underlying debt or claim arises. *See id.* at 603. "Thus the maritime lien may be defined as a property right that adheres to the vessel wherever it may go." *Id.* at 602.

Keppel reserves the right to supplement and/or amend this notice. Keppel further reserves all rights under applicable law.
